

# An EVENING on TIME

<http://www.pitp.physics.ubc.ca/>

If you want to know about the PITP public lecture series (archives, future lectures, etc.) then go to:

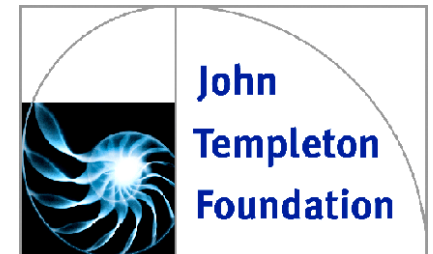

[http://pitp.physics.ubc.ca/quant\\_lect/index.html](http://pitp.physics.ubc.ca/quant_lect/index.html)

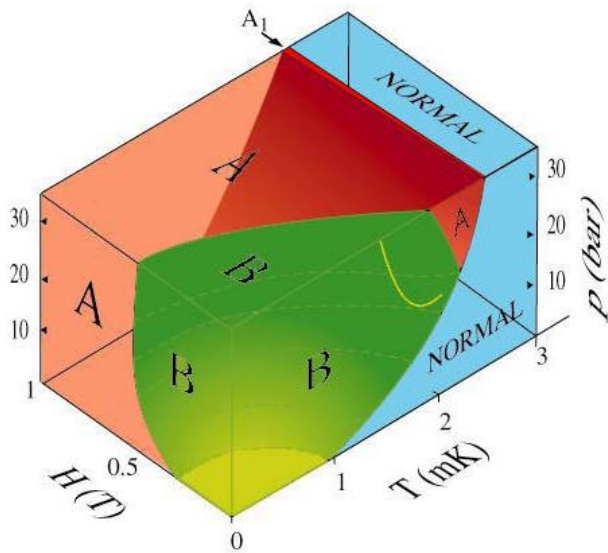

If you want to be on the mailing list for announcements & information about these lectures and other PITP events, either write down your email in one of the books, or send a message to:

[pitpoffice@phas.ubc.ca](mailto:pitpoffice@phas.ubc.ca)

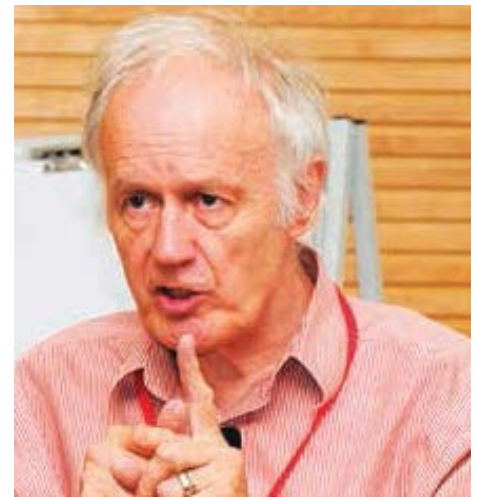

OUR CO-SPONSORS FOR  
TONIGHT'S LECTURE

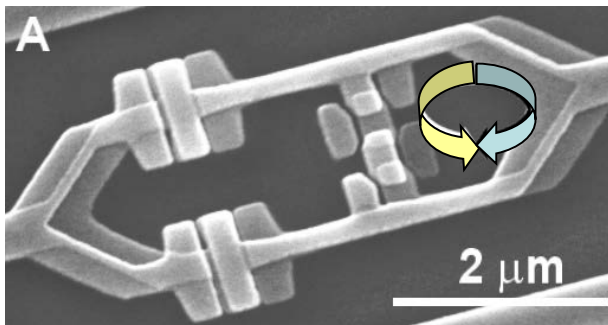

Superfluid He-3 (cf Nobel Prize 2003)
